ASA Doctoral Dissertation Research Improvement Grant (Due Nov 1, 2021)	Accepting Submissions from 08/04/2021 to 11/01/2021;

The ASA DDRIG program will support theoretically grounded empirical investigations to advance understanding of fundamental social processes. Topics can include, but will not be limited to: organizations and organizational behavior, health and medicine, crime and deviance, inequality and stratification, population dynamics, social movements, social groups, labor force participation, stratification and mobility, family, social networks, socialization, gender, race, ethnicity, and the sociology of science and technology. Projects that explore new methodologies, including but not limited to computational sociology, big data, large scale modeling, and innovative use of emerging technologies, will also be welcomed. Grant funds can be used for costs directly associated with conducting research, such as dataset acquisition, statistical or methodological training, equipment, payments to research subjects or research assistants, data transcription, and costs associated with conducting archival research or field work. Living expenses, including dependent care, are also allowed, as are travel expenses to attend professional meetings, including the ASA Annual Meeting. No indirect costs are allowed. **For a detailed description of the proposal process and submission requirements, please refer to the ASA DDRIG page.**

- Application deadline is 11:59 pm EST on November 1, 2021.
- Up to 25 awards of a maximum of $16,000 each will be given.
- Award Notifications will be made in March.
- Awards will be disbursed once yearly through the research scholar's graduate institution.
