

How to Submit a Preconference

Preconferences provide an opportunity for disciplinary peers to gather for an extended period to discuss their work related to a particular field of study, theory, perspective, question, controversy, or professional context.

The following instructions walk through the process of submitting a proposal.

1. Go to the online portal.
2. Sign in using your ASA username and password.
3. You will see your Submitter Menu below. Click on *Submit or Edit a Proposal* to continue.

The screenshot shows the user interface for the ASA Submitter Menu. At the top, a dark grey bar displays the user's name, "Mary Leonardo". Below this is the ASA logo, followed by navigation links for "MAIN MENU", "LOGOUT", and "HELP". A light yellow banner contains the message "WELCOME! You are now at the main menu." The "Submitter Menu" section is highlighted with a light beige background and contains two items: "Submit or Edit a Proposal" with a pencil icon and "Volunteer to be a Discussant or Presider" with a checkmark icon. At the bottom right, the footer text reads "©2020 All Academic, Inc. | All Academic Privacy Policy".
