GENERAL INFORMATION

Headquarters for the Annual Meeting is located in the Denver Hilton Hotel, but many activities will be held at the Brown Palace Hotel two blocks away. In designating locations of activities, only room names are listed for the Denver Hilton; those located in the Brown Palace give the hotel name and the room.

SERVICES

The following services are located in the Convention Lobby of the Denver Hilton:

1. Registration. Pre-registrants may pick up their kits and badges; others may register, pay their fees, and receive their kits. The registration booths are staffed by employees of the Denver Convention Bureau who are not knowledgeable about other aspects of the program or the affairs of the ASA. For such information, please go to the ASA desk in the registration area:

2. ASA Desk. An ASA staff member will be able to give you information relating to membership, publications, program, etc.

3. Luncheon Roundtable Information Desk.

4. Hospitality Desk. Although no formal tours have been planned, information will be available on sightseeing, shopping, restaurants, and the many attractions of the Denver area.

5. Message Board. Names of those for whom there are messages will be posted here and you should check the board frequently for your name. The messages will be kept in a file to insure privacy. Because this service is designed primarily for those persons not staying in hotels, we strongly urge you to use the hotels' mail and message desks whenever possible.

The ASA Executive Office is located in the Colorado Room on the Mezzanine. Use stairway from Convention Lobby.

Social Events

All registrants and guests are invited to attend the Dutch-Treat Party on Monday evening immediately following the Presidential Session, in the Silver-Gold complex on the mezzanine.

Joint Meetings

Several sessions will be held jointly with The Rural Sociological Society, the Association for the Sociology of Religion, and the Association for the Study of the Grants Economy. These sessions are indicated in the Program.

Seminar Sessions

You will find numerous Seminar Sessions listed in the Program. Papers will not be read at these sessions; rather a brief summary will be presented by the author followed by open discussion. Participants in the Seminars will be expected to have read the papers before attending the sessions. Copies of these papers are available in the Savoy Room for a fee of \$1.00. Attendance at each Seminar Session will be limited to 20 persons.

Contributed Paper Sessions

As in the Seminar Sessions, papers will only be summarized in the three Contributed Paper Sessions (68, 82, and 112). These papers are available in the Savoy Room at a cost of \$1.00 each.

Dartmouth Curriculum:

Using the Time-Sharing Computer

On Wednesday at 8:30 a.m., six brief papers will be presented on this topic in Session 92, "Teaching Undergraduate Sociology—Using the Time-Sharing Computer." A discussion period will follow.

On Wednesday afternoon demonstrations of the system will be held in the Book Exhibit Area from 12:00 to 2:00 p.m. There will be a telephone terminal connection with the computer at Dartmouth. An open demonstration from 2:00 to 6:00 p.m. will provide interested persons with an opportunity for questions. Preregistrants for these demonstrations have already received materials from Dartmouth.

Film Demonstration

In addition to Session 19, "Film as a Research and Instructional Tool," there will be a continuous showing of various films which exemplify the technique on Tuesday, August 31, in Ballroom A of the Brown Palace Hotel.

Luncheon Roundtable Discussions

The luncheon roundtables are listed as Session 28 on Monday and 72 on Tuesday. Although nearly all tickets have been sold for these luncheons, you may wish to check at the luncheon desk in the registration area for possible cancellations. Persons holding tickets to any of these luncheons who find they will not be able to attend may sell their tickets to someone else or turn them in at the luncheon desk at least 24 hours before the luncheon is scheduled. If these tickets are resold, a refund will be made at a later date.

Business Meetings

ASA Business Meetings, open to all members, are scheduled for Tuesday and Wednesday at 8:30 p.m. Procedures could be expedited if all members who wish to present resolutions would submit them to one of the elected officers of the Association or to a member of the Executive Office staff in the Colorado Room no later than noon of the day of the Business Meeting. Such submissions will be reproduced for distribution that evening. Resolutions so submitted will be given priority at the Business Meeting.

Section Meetings

All of the activities of the ASA Sections, including their Council Meetings, Business Meetings, and Sessions, will take place on Thursday, September 2. Consult that portion of the program for details.

Committee and Editorial Board Meetings

All members of these groups have been informed of the time and place of their particular meetings. A composite listing is presented on page as a reminder. Although attendance at Council, Committee, and Editorial Board Meetings is limited to members of these groups, Association members

may present written questions or suggestions to committee members prior to their scheduled meetings. The membership of each committee is listed on pp. —. Reports of committee activities for the past year are printed in the "Official Reports and Proceedings" included in your registration kit.

Day Care Center

Members who have applied for child care may register their children with Mrs. Jorgenson at the Day Care desk in the convention lobby of the Hilton Hotel beginning Sunday at 1:00 p.m. Beginning Monday at 8:00 a.m., such registration will be in the Beverly Room on the first level of the Convention Center.

Sale of Papers

Papers will go on sale at 2 p.m. Sunday, August 29, in the Savoy Room on the second level of the Hilton Convention Center. The price per copy will be \$1.00. In the event the supply of copies does not meet the demand, pre-paid orders will be accepted, and copies sent from the Executive Office after the Meeting.

Those members planning to attend the Seminar Sessions or Contributed Paper Sessions are reminded that papers will not be read, but briefly summarized. Therefore, you are urged to obtain copies of those papers prior to the session.

Authors who brought multiple copies of their papers rather than mailing them beforehand, should take their papers to the Savoy Room.

The Executive Office regrets that some papers are not available because the authors either did not submit copies or declined permission to reproduce them.

Professional Placement Service

The Colorado Division of Employment is providing a placement center located in Exhibit Area 2 in the Hilton Convention Center. It will be open Monday, 9:00 a.m. to 8:00 p.m.; Tuesday and Wednesday, 9:00 a.m. to 5:00 p.m., and Thursday, 9:00 a.m. to noon. Those who have mailed in application or order forms should check in immediately to activate their files. Others should register as soon as possible.

Press Room

The ASA Press Room will be in the Cedar and Birch Rooms on the Mezzanine of the Hilton.

The press on occasion will wish to interview specific persons. These names will be posted on a bulletin board in the Convention Lobby.

Book Exhibits

You are urged to visit the Book Exhibits on the second level and ground floor of the Hilton Convention Center and review the latest publications in sociology. Over 70 individual exhibits, plus hundreds of publications and periodicals in the Combined Exhibit are on display. The Book Exhibits will be open 8:30 a.m. to 5:30 p.m., Monday through Wednesday, and 8:30 a.m. to 12:30 p.m. on Thursday.

Federal Research and Training Grants

Representatives of U.S. Government Agencies sponsoring research and training grants will be available for consultation during the Meeting in the Exhibit area.

Meetings of Other Groups

**Announcing . . . the newest additions to
HARPER & ROW's list of sociology texts**

1817

The Art of Theory: Construction and Use

NICHOLAS C. MULLINS, Dartmouth College

Introduces students to the systematization of their reading as theory and to the uses of that systematic theory. The book's inductive approach, step-by-step instruction, breezy style, and emphasis on the student's own reading and interpretation make it suitable for introductory, methods, and theory courses in sociology. The text fits modern theory construction techniques to the lower-division student, emphasizing simple graph models of theory built up by the student. Instructor's Manual. May, 1971. Paper. 184 pp.; \$4.50.

Daydreams and Nightmares

A Sociological Essay on the American Environment

WILLIAM R. BURCH, JR., Yale University

Draws from diverse sources not usually combined in a sociological synthesis (such as pleistocene geography, literary criticism, biology, chemistry) to analyze the social consequences of man-environment interactions under a variety of conditions. May, 1971. Paper. 175 pp.; \$3.95.

Social Science in an Age of Change

DONALD W. CALHOUN, University of Miami

Oriented to young people of today who are particularly concerned with and engaged in social change, this text equips the student with the basic social science principles he needs in order to understand and to participate in today's—and tomorrow's—society. Instructor's Manual. July, 1971. 544 pp.; \$10.95. Study Guide by Gerald Douthitt: \$3.95 (tentative).

Conflict and Consensus

An Introduction to Sociology

HAROLD M. HODGES, JR., San Jose State College

A thorough introduction to major sociological concepts, with consistent emphasis on the emergent postindustrial society and its attendant strains, conflicts, and disequilibria. Stressing that man, while molded by society, is forever at odds with it, the author has organized and synthesized extensive research material around this point of view. Instructor's Manual. March, 1971. 587 pp.; \$10.95.

Sociological Realities

A Guide to the Study of Society

Edited by IRVING LOUIS HOROWITZ and MARY SYMONS STRONG, Livingston College, Rutgers, The State University

Seventy-five articles by leading social scientists from *transaction* magazine. Covering all subjects ordinarily studied in the introductory course, the book can be used as a supplementary volume or as the main text. Sectional introductions by the editors. March, 1971. Paper. 551 pp.; \$6.95.

For more information on these and other Harper & Row texts visit our booth (#33) or write Department 275(d).
