

2023 ASA Community Annual Report Filipino Sociologists

Annual reports are used to assess the health of a Community, measure a Community's vitality, and identify processes, programs, or initiatives that could serve as a model for other Communities. In addition, they provide institutional memory, help socialize new Community leaders, and promote transparency to members.

The Community annual report is divided into two parts. Please complete both parts and submit your report to hwashington@asanet.org by December 15.

Part I

Part I of the annual report covers the period of Community activity from January 2023 to December 2023. This section of the report may be shared publicly.

Community Governance

Provide details of the Community's governance activity during the period between January 2023 and December 2023.

Business Meeting

Copy and paste below (or attach separately) the agenda(s) from the Community's business meeting(s). If possible, please include a count of Community members present.
